*With the updated version of ezPaycheck software, small business owners can rest easy with remote access options for troubleshooting purposes. Customers can download and test drive it at no risk or obligation at [www.halfpricesoft.com](http://www.halfpricesoft.com).*

Small business owners find a perfect fit for processing paychecks when utilizing enhanced [ezPaycheck payroll software](http://www.halfpricesoft.com). One new feature includes remote access for customers or troubleshooting purposes when utilizing this application from Halfpricesoft.com. Customer satisfaction is always a top priority for ezPaycheck payroll software support team. By updating FAQs pages, blog and forum, this application is easy-to-use, flexible, and affordable for customers working both online and off.

*“Halfpricesoft.com offers small businesses remote access for a troubleshooting option when utilizing ezPaycheck payroll software.”* said Dr. Ge, the founder of halfpricesoft.com.

EzPaycheck software is designed to automate paycheck processes to reduce the time spent on running payroll. The software’s graphical interface leads users step-by-step through setting up employee information, importing data, calculating payroll - including calculation of federal, state and local taxes; deductions for Medicare, insurance and 401(k) plans; and printing paychecks. New user can download and try this software for free with no obligation and no cost at [http://www.halfpricesoft.com/payroll\\_software\\_download.asp](http://www.halfpricesoft.com/payroll_software_download.asp)

EzPaycheck payroll software includes the latest tax tables and tax forms. This paycheck software also supports flexible tax options to satisfy the special businesses, nonprofits and churches.

Small businesses and nonprofits will appreciate the unique features in the latest release of ezPaycheck payroll software:

- Supports daily, weekly, biweekly, semimonthly and monthly payroll periods. Features report functions, print functions, and pay stub functions.

- Easily calculates differential pay
- Prints miscellaneous checks as well as payroll calculation checks.
- Prints payroll checks on blank computer checks or preprinted checks.
- Automatically calculates Federal Withholding Tax, Social Security, Medicare Tax and Employer Unemployment Taxes.
- Includes built-in tax tables for all 50 states and the District of Columbia.
- Creates and maintains payrolls for multiple companies, and does it simultaneously.
- Prints Tax Forms 940, 941, W-2 and W-3.
- Supports multiple accounts at no additional charge.
- Supports network access.
